To the Members of Ontario Weightlifting Association

We have reviewed the statement of financial position of Ontario Weightlifting Association as at March 31, 2017 and the statements of revenues and expenditures, changes in net assets and cash flow for the year then ended. Our review was made in accordance with Canadian generally accepted standards for review engagements and, accordingly, consisted primarily of inquiry, analytical procedures and discussion related to information supplied to us by the organization.

A review does not constitute an audit and, consequently, we do not express an audit opinion on these financial statements.

Based on our review, nothing has come to our attention that causes us to believe that these financial statements are not, in all material respects, in accordance with Canadian accounting standards for not-for-profit organizations.
