Attention: OWA Members

Effective 12:01 am on October 10, a number of new measures have been implemented in Toronto, Peel Region and Ottawa, which includes the shutdown of indoor gyms and fitness centres for the next 28 days. We understand that this is a concern for all those affected, but we are currently waiting for direction from the Ministry of Heritage, Sport, Tourism and Culture Industries. We will keep you posted on updates/developments as they come in.
